

# AACOMAS Application

LMU-DCOM participates in a centralized application service, the American Association of Colleges of Osteopathic Medicine Application Service (AACOMAS). The American Association of Colleges of Osteopathic Medicine (AACOM) offers prospective students a convenient, centralized on-line application service for accredited osteopathic medical schools. Through AACOMAS, students can file one electronic application. AACOMAS then verifies and distributes the information to each of the colleges designated by the applicant. AACOMAS can be reached at [www.aacom.org](http://www.aacom.org) or AACOMAS, 7700 Old Georgetown Road, Suite 250, Chevy Chase, Maryland, 20814, (301) 968-4100.

Applicants are required to submit a letter of reference from a physician and a premedical advisory committee. If the student's undergraduate institution does not have a premedical advisory committee, the student may submit letters from two science professors. Information on contacting an osteopathic physician in your community is available at [www.DO-online.com](http://www.DO-online.com) or through your state osteopathic association.
